Directory**

Okaloosa County

Having a baby is awesome! You alone will give your baby life. You alone are the most important person in the world to your baby, and what you do now, even before his or her birth, can be the difference between good health and poor health for your baby.

To help you find the services you need, the Healthy Start Coalition of Okaloosa-Walton Counties has compiled this easy-to-use booklet for you. We have tried our best to be as current and accurate as possible, but please bear in mind that telephone numbers change, programs lose funding, or we may have missed the occasional errors. So if a number is incorrect, please call, and we'll help you find the right number. After all, our only goal is good health - for you and your baby.

Eglin Hospital Information..... 883-8242
Eglin Appointments..... 883-8600

****All services from Eglin or Hurlburt require a military ID Card****

Healthy Start

It's so important to find out as soon as possible if you are pregnant, because if you are, your baby needs your help right away - to get a Healthy Start in life.

To lower the risk of birth defects of the brain and spine, begin taking Folic Acid NOW. You can get it at the Health Department or at any supermarket or drug store.

If the test is positive, congratulations! You're going to have a baby! The following pages will help you get the services you and your baby need.

First Steps

DO

- ☺ See your doctor or a health care provider at the health department
- ☺ Eat healthy foods
- ☺ Read books about pregnancy and childbirth
- ☺ Plan to breastfeed - it's the natural choice for your baby
- ☺ Plan to take your baby for well-baby checkups and shots
- ☺ Begin taking Folic Acid

DON'T

- ☹ Smoke - if you smoke during pregnancy your baby is more likely to be born too small
- ☺ **For help to quit smoking, call QuitforLifeLine 1-877-UCAN NOW (1-877-822-6669)**
- ☹ Drink alcohol, take drugs or medication (unless prescribed & your doctor knows about it)
- ☹ Get stressed out
